

Position Description

Title:	Stewardship Field Crew Member (4 positions available)
Supervisor:	Stewardship Field Manager
Duration:	May 2, 2022 through September 2, 2022 with potential for extension*
Classification:	Full-time, temporary (approx. 40 hours/week)
Benefits eligible:	No
Compensation:	\$12-14/hour, dependent on experience
Deadline:	April 4, 2022, or until all positions are filled

Certain places have a magic that draws people to them. The Kalamazoo Nature Center is one of those places. Recognized by its peers as one of the top nature centers in the country, the Kalamazoo Nature Center is located on 1,100 acres of wooded, rolling countryside and includes over 14 miles of hiking trails winding through some of the most special habitats in Michigan. The Kalamazoo Nature Center (KNC) is a not-for-profit organization whose mission is to create relationships and experiences that welcome and inspire people to discover, enjoy, value, and care for nature.

Because we value the strength diversity brings to the workplace, the Kalamazoo Nature Center is committed to the recruitment, retention, and development of a workforce that reflects the society in which we live. We strongly encourage women, people of color, LGBT individuals, people with disabilities, members of ethnic minorities, foreign-born residents, and veterans to apply.

Summary of Position:

The Stewardship Field Crew is responsible for carrying out ecological restoration work at KNC and off-site with clients of the Ecological Services Program. Field work will include such things as: woody shrub and tree management, herbaceous invasive species control, use of hand tools and mechanical equipment (chainsaws, brush cutters, augers, etc.), occasional use of heavier equipment (tractor, skid steer, brush hog, etc.), biological surveys, responsible use of herbicides, prescribed fire, native plug/seed planting, tree planting, natural shoreline restoration, building trails, and similar activities. This is a field-based position performing labor in sometimes arduous conditions in all weather for up to 10 hours a day.

*There is also a possibility of extension into the fall and/or winter pending project load.

Duties:

- Follow and enforce all safety measures.
- Maintain excellent communication with supervisor and other crew members.
- Work in the field with other crew members, staff, and field volunteers.
- Maintain and keep records on field activities, vehicles, equipment, and supplies.
- Assist with other duties related to the mission and stewardship goals of the Kalamazoo Nature Center.
- Potential to travel for extended periods of time (up to a week at a time) to complete natural resources management contracts.
- Comply with all KNC staff policies, including COVID-19 measures.

Requirements:

- Able to work in rough and difficult terrain outside under adverse weather conditions and able to lift at least 50 pounds.
- Willing to work with herbicides and obtain a State of Michigan Pesticide Applicator's License.
- Safely remain committed and motivated for 10 hours of physical work.
- Strong attention to detail.
- Creative and energetic.
- Ability to work as a team member as well as individually.
- Commitment to the KNC mission.
- Ability to work with a diverse group of people.
- Self-starter and self-directed.
- Able to maintain a flexible work schedule.
- Demonstrated customer service attitude.
- A valid driver's license and willingness to drive trucks, trailers, and other equipment.
- A reliable vehicle for driving to project work sites. Mileage will be reimbursed.
- Must pass pre-employment background check
- Ability to meet U.S. Drug-Free Workplace standards, as required for grant-based activities.

Preferred:

- Pursuing or possess a Bachelor's degree in natural resources management, biology, botany, forestry, or related field.
- Prior experience with natural areas management including plant/plant community identification, invasive species management, and experience with power equipment, tools, and herbicides.
- Ability to drive and operate trucks with trailers and load/unload trailers or able to learn.
- Ability to operate 4WD vehicles on off-road terrain safely or able to learn.
- Prior experience with heavy machinery a plus.
- Prior experience with chainsaws, brush cutters, herbicide equipment, etc.
- Able to key out and identify unknown plant species.
- National Wildfire Coordinating Group (NWCG) Wildland Firefighter Type 2 training (S130, S190) a plus.

To Apply: Email cover letter, resume, and three references to jobs@naturecenter.org.

The Kalamazoo Nature Center is an equal opportunity organization that will not discriminate in its programs, hiring practices, or employment on the basis of race, color, religion, sex, age, ethnic origin, physical or mental disability, veteran status, height, weight, sexual orientation or gender identity, marital status, or political affiliation.
