Promoting environmental literacy through education

Please describe any past experience you have as a MAEOE volunteer, or serving on another board, or in a leadership position.

I have served as a member of the membership committee for the last year.

Why do you want to serve on the MAEOE board?

Joining MAEOE and attending the different programs gave me the confidence to weave outdoor experiences into my curriculum. I hope to bring that together urban educators who just need the excitement of an ANR camp or workshop to get them outside with their kids.

In your opinion, what should be MAEOE's top priority in the coming year?

Increasing membership by offering onsite workshops at some of the urban schools.
Diversity and inclusion, again increasing membership to include underrepresented populations.
